**Question-2:** Design a html page that describes about you and your team with a button for each that facilitates user to access your resumes.

Output:

Source code:

```html
<!DOCTYPE html>
<html lang="en">
<head>
    <meta charset="UTF-8">
    <meta name="viewport" content="width=device-width, initial-scale=1.0">
    <title>About Us</title>
    <style>
        body {
            font-family: Arial, sans-serif;
            margin: 20px;
            background-color: #2e2929;
        }
        .team {
            background-color: #fff;
            border: 1px solid #ddd;
            padding: 30px;
            margin: 10px;
            border-radius: 30px;
        }
        .resume-button {
            background-color: #000000;
            color: rgb(255, 255, 255);
            border: solid 3px rgb(114, 132, 116);
            padding: 15px 15px;
            text-align: center;
            text-decoration: none;
            display: inline-block;
            font-size: 16px;
            margin: 4px 190px;
            cursor: pointer;
            border-radius: 15px;
```

```html
      }
      h1{
        color: #fff;
        text-align: center;
      }
    </style>
</head>
<body>
